

CSC Financial Funding Program

Updated 7/8/24 (effective July 1, 2024)

* Financial Funding Program is to encourage, recognize and defray skating costs for all of our skaters, coaches and officials. Competition funding for non-qualifying competitions are designed to generally cover one competition entry fee and practice ice
* Amounts available are based on the monies budgeted at beginning of year, available funds at the time of disbursement, and board approval.

- I. Skaters (Singles FS test level/Pattern Dance test level as of April 30 each year) - Provide financial funding for non-qualifying competitions**
- * Members are eligible if they met the eligibility for club benefits requirements from the previous membership year and are meeting the club benefits eligibility requirements for the current membership year - competition funding does not require receipts as the amount is pre-determined based upon their test level and they are available starting July 1 based on information from the previous season
 - * Must have signed up as a "skater" membership type to receive these funds
 - * Must have represented "Centennial Skating Club" during the 2023/2024 season at the competition (means you would have selected Centennial Skating Club as your club in online registration systems or written Centennial Skating Club on your competition entry form and the announcer at the competition announced you as representing Centennial Skating Club)
 - * Please reference the Centennial Skating Club Rules document for the definition of "eligibility for club benefits"
 - * Funds paid by check must be written to a third party based on an invoice with appropriate form
 - * Must be for a skating related expense
 - * Use it or lose it - it doesn't carry over from year to year
 - * There is a minimum number of competitions per year required to get the amount proposed (these are in the first column of the table below) otherwise the money amount drops to the level of the # of actual competitions
 - * Must present request form with appropriate documentation to Club Treasurer to use funding - invoice may NOT be from an immediate family member (mother, father, brother, sister)
